

### TOWN AND COUNTRY!

This Column will henceforth be devoted to Notices of the business and enterprise of the town of Eaton, and County. All the information it contains will be carefully written and can be relied upon with a view to living correct ideas as to what is going on in this business locality of ours. All items of interest to the Public will be thankfully received.

**WEDDING CARDS.**—Elegantly gotten up Wedding Cards are furnished promptly at this Office.

**Important Change of R. R. Time.**

### Cincinnati, Richmond & Chicago RAILROAD.

We are indebted to S. S. Dix, for accommodating ticket agent at this point for the following change of time on the C. R. & C. Railroad, which took effect Sunday, July 31, 1870. Trains will arrive at Eaton as follows:

**TRAINS NORTHWARD BOUND.**  
Freight, 4.20 a.m.  
Chicago Express, 9.23 p.m.  
Chicago Mail, 10.04 a.m.

**TRAINS SOUTHWARD BOUND.**  
Chicago Express, 7.47 a.m.  
Chicago Mail, 7.50 p.m.  
Freight, 9.22 p.m.

We will give the change of time in full next week.

**RELIGIOUS NOTICE.**—Rev. T. S. Guthrie will preach in the Christian Chapel on the corner of Barton and Sumers streets, on Sunday evening next, at 8 o'clock. All are invited.

Eaton is delighting in music furnished by Lockwood's Band. The weeds look very fine in many yards in town.

The young men of Eaton, held a "Saugerfest" last Sunday week.

Few ladies dress in high fashion. Low necked dresses are better.

Matrimonial markets are quiet. Nobly slaughtered, for 10 days.

See new Advertisement, of "Grind! Grind! Grind!"

Select Ball Aug. 5th at Miller's Hall.

Grand Social Pic-Nic at Buckley's Grove, on Saturday, August, 13th. All invited.

The editor of the Register was "vimmey and snappy" last week. Much fragrance wasted on the desert air.

"Love among the Roses" whispering over the Ice Cream tables of Joe Garland's.

Our hotels seem to be doing a very good business in spite of the extreme heat.

Several cases of "think of my head in the morning" were reported last week. All on account of the weather, you know.

Our markets are now well supplied with all kinds of garden truck, and prices are such as to come within the means of all classes.

Harvest is about over, and the farmers will soon have plenty of money. Now is the time for our merchants to advertise in the DEMOCRAT, of course.

Paper Balloon amusements are all "the go" just now in the locality of Wise's Bath Room among the juveniles of this place.

Everybody throughout old Preble should subscribe liberally toward the building of the new Lake Shore Railroad. Shame on him who gives this grand enterprise the "cold shoulder."

Can't an ordinance be passed for the benefit of those lazy skunks, who habitually loaf around our corners? They are getting to be a great nuisance.

Until we can get out among our country patrons, our address is at Eaton. We intend in a week or two to call on all the DEMOCRAT subscribers, as near as we can. Those that call on us however, will save the extra 50 cents.

All is quiet about town. Some scurrillages on the plains do not seem to have left the usual amount of animosity or lessened the gallantry of the octogenarian (who was one of the parties toward the blooming lass of sweet sixteen. Particulars not needed in this locality.

### Information Wanted.

The National Democratic Executive Committee desire to obtain the name and post office address of the chairman of all State and County Committees; also, that of all Democratic and Conservative candidates for Congress. This information is desired to enable the Committee to supply documents, etc., to any locality. The address should be sent to Hon. Samuel J. Randall, chairman, Washington, D. C. All Democratic papers throughout the country are desired to copy this notice.

**ANOTHER WONDER.**—Well! well! Whoever heard of such a thing! We never did before. Whoever heard of a Dentist ever making a person's mouth feel good. It was the last thing we expected to hear. But Dr. Tuttle did it. He just left on our table a feast of the most delicious Lawton blackberries of the season, and all we have to say is, that if any of our readers want any Dentistry done, for them to go to the Dr. and if he hurts just tell him to slip a Lawton in your mouth, it will stop all pain there, for they are so large they will leave no room for pain.

**A Recent Scene in Town.**  
On Saturday last a young fellow from the country came to town barefooted, after arriving he came to the conclusion that he ought to be "shoed," accordingly he went to a vendor of the article and purchased a nice pair of gaiters, and then started to find a pair of "stockings." Entering a ladies' furnishing store on Main street the following scene ensued:

Young man—"got any stockings?"  
Lady clerk—"yes, sir."  
Young man—"I want a pair."  
Lady clerk shows him some ladies' hose. Young man sets a pair—pays for them—sits down—rolls up his pants sufficiently high—pulls on stockings—pulls on gaiters—remarks "now I'm fixed"—exit.

**Preble County Institute.**  
The seventeenth annual session of the Preble County Institute will be held in Eaton on the 8th of August and continuing two weeks.

The services of Mr. Alexander Forbes of Cleveland Ohio, have been secured. Mr. Forbes is among the best Institute workers in the State. He comes from a city of model schools and model teachers.

Mrs. J. H. Jones of Cincinnati, who was with us last year, will be present again this year. Her work will be on "Primary Instruction" in general.

**IRVING HARDY, Pres.**  
**S. MORE SURFACE, Secy.**

### Look Here.

If you  
Want a situation  
Want to sell a horse,  
Want to sell a Patent,  
Want to sell a buggy,  
Want to buy a horse,  
Want to rent a house,  
Want a cheap boarding place,  
Want to find anything you have lost,  
Want a girl for any kind of work,  
Want to get buyers for anything you have to sell,  
For a trifle you can tell your wants through the columns of the DEMOCRAT, and it will be sure to reach the ears of those who can respond to your wants. A thorough trial will insure success. "Faint heart never won fair lady."

**Rejoicing.**  
There was quite a demonstration at the Depot on Monday evening last, the occasion of the first through train to Chicago over this route. The Cornet Band discoursed some fine music and the cannon belched forth its joy in thunder tones.

### The Democrat Job Office.

We mean business, when we call your attention to our job department. Posters, Pic-Nic Bills, Sale Bills, Cards, Programmes, Bill Heads, &c., can be procured at this office at Cincinnati prices. Try us once.

### BASE BALL.

On Friday last the IXL B B C of this place went to Camden to swing the willow with the Awwards of that place. The Camden club had the game their own way until the 8th inning, and victory was almost in their grasp when fickle fortune changed the game. In that inning the IXL B by some fine batting scored 22 runs which won the game.

Our boys looked well in their new uniform, which consists of a blue and white cap, white shirt, blue knee breeches and white stockings. The score:

**Vandalism.**  
There is a lot of lazy lounging worthless scoundrels around our town, who think they do smart things by prowling around our streets, when all decent, and honest people have retired and destroy private property. The meanest lowest conduct of this kind is the continual destruction of the pump in front of our office. The last act of vandalism these dirty, lousy scoundrels committed, was to carry off the spout. We are requested to politely notify these night vagabonds, that they will be watched hereafter, and if caught, it has been resolved by a few respectable citizens, to give them a coat of tar and feathers, or publicly horse whip them out of our town. Now go on with your work of destruction.

**Hurray for Woman's Rights.**  
We stop the Press and unlock our "forms" to "insert" a freezer of most delicious Ice Cream and a splendid cake, the kind remembrance of the Woman's Rights Association of Eaton. Such treats are never "crowded out," and such Women's Rights will always find advocates in the Democrat office. We are converted to the cause! Ladies consider our beavers slightly tipped.

### A Wonderful Microscope

Rev. Daniel Wise, D. D., editor of the New York Sunday School Advocate, thus speaks of the celebrated Craig Microscope:  
"Its simplicity, cheapness and great magnifying power struck me with surprise. Then I was examining a fly's eye by its aid, and was struck with wonder at the skill and power of the Creator which is displayed in its structure. When I saw a statement in an advertisement that the Craig Microscope magnified one hundred diameters, and could be bought for \$2.75, I thought it was one of the humbugs of the hour, for I had paid \$20 for a microscope not long before. But now I find it to be a really valuable instrument, which I should like to see introduced into the families of our readers in the place of manifold useless toys which please for an hour, and is then destroyed. This microscope would both amuse and instruct them and I advise every boy and girl who wishes to know the wonders which lie in little things to save his money until he has \$2.75, which will pay for the microscope and the postage when sent by mail."

As a holiday gift this microscope is unsurpassed, being ornamental, instructive, amusing and cheap, and never loses its interest. Agents and dealers supplied on liberal terms. A sample will be mailed, post paid, to any address for \$2.75, by E. H. Rosz, 313 Locust st., St. Louis, Mo.—Read the advertisement in this paper. june9.3m

### ROBACK'S

**Roback's Stomach Bitters**, unlike all other Bitters in the market, possess intrinsic merit. Most Bitters, so called, are merely wishywashy stuff, sold as a beverage. Dr. Roback's Bitters are not a beverage in any sense of the word, but contain the most expensive drugs known to science for the radical cure of Indigestion and Dyspepsia, and for all cases where a tonic and stimulant are required. They restore the vital forces in a remarkable degree, and give tone to the system.

### BITTERS

It is now eleven years since Dr. Roback, the celebrated Swedish physician, from Stockholm, Sweden, came to this country and introduced the Scandinavian Blood Purifier; since which time thousands have been cured, by its use, of Scrofula and other blood diseases. It contains, besides the Iodide of Potassa and Syrup of Sillington, drugs imported from Sweden for its express manufacture, unknown and not kept by apothecaries in this country. A single trial will convince the most skeptical of its wonderful value.

### BLOOD

Dr. Roback's Blood Pills are unsurpassed by any Pill manufactured for a similar purpose. One trial invariably establishes them as favorites with all who use them.

The reasons why Dr. Roback's Blood Pills should be kept in every family are: Because they can be employed in all cases where a "family physic" is required, and are perfectly safe in their administration at all times; Because they are made both with and without sugar-coating, thus adapting them to the use of every body; Because

### Manhood: How Lost How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or

Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife: pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also, Dr. Culverwell's "Marriage Guide," price 25
